Mr. Allen Dulles, Director
Central Intelligence Agency
2430 E St. N.W.
Washington, D. C.

Dear Sir:

I would appreciate information regarding
the leasing of retail stores at the proposed
C.I.A. Building at Langley, Va.

We are interested in the procedure to be
followed in obtaining space; basis on which lease
will be selected, possible restrictions on merchan-
dise to be sold to avoid duplication by the other
stores, probable date of occupancy, etc.

I have been in business in Virginia for
over 10 years and can prove financial responsi-
bility, adequate capital and competency. My busi-
ness plan would be to specialize in greeting cards
with additional merchandise depending on space and
lines carried by other merchants.

Any information will be appreciated. A
copy of this letter is being sent to the General
Service Administration.

Very truly yours,
/s/

Dear Mrs. Handy:

Thank you for your letter of October 8, 1959, indicating your interest in operating a shop on the Government property when the Central Intelligence Agency moves into its new headquarters building at Langley, Virginia.

Our present building plans do not provide space for the operation of private enterprise in the building and we have not yet concluded whether it will be feasible to provide these facilities elsewhere on the property. We have placed your letter in our files for future reference in the event that it becomes possible to accommodate private enterprise somewhere on the premises.

Your interest in this matter is very much appreciated.

Sincerely,

Signed

L. K. White
Deputy Director
